**Patent pending in U.S.A. and China.
Conforms to the standard of the
Department of Defense, U.S.A.**

Exponent's CN1 card shielding sleeve is a rigid and durable ID card holder that holds up to two ISO7810 ID-1 size PIV, CAC, or identification cards. The sleeve meets the FIPS-201 requirements for an electromagnetically opaque sleeve and effectively shields the card(s) from unauthorized interrogation or communication attempts. The sleeve was created by Exponent for the DoD and is currently in use within the DoD and at a number of other Government agencies and contractor facilities.
